Seeking

A heart-first, highly interactive, people-focused role on the cutting edge of well-being, healthy food, sustainability, nature, mindfulness, conscious living, and/or movement, in an environment where versatility and adaptability are valuable, where new ideas and strategies are useful, and where connecting with, understanding, and pleasing customers are integral to success.

Experience

Atmanautica

Sherpa/Founder

Now - 2017 December

San Francisco

At Atmanautica, we explore the common ground that is missing in this age of separation and divisiveness, and offer our findings in one-on-one consultations.

Arrivo

Head of Operations & Majordomo

2017 December - 2017 January

Los Angeles

Here I ran the day-to-day operations of this transportation technology company as it grew from 1 to 40 employees. My responsibilities included office design, supply, and management, procurement, IT, event planning, network admin, travel booking, our web and social media presence, facilities, and even HR and recruiting.

ÆTHER

Consultant, Tech Strategy and Web Development

2018 April - 2016 January

Los Angeles

Clients: Mandarin9, DevMo

SolarCity (now Tesla)

Lead Experience Designer

2015 November - 2013 January

San Francisco & San Mateo

Here I started and led the experience design team which focused on the company's digital customer-facing experiences. I also introduced and administered a wide array of productivity tools and practices within the company, namely Github, Slack, agile/scrum, Angular, Firebase.

Togetherville / Disney

Product Manager, UX Designer & Founding Member

2012 November - 2010 March

Palo Alto, California

As the third member of Togetherville, I wore a lot of hats as we pioneered a Facebook-like social network for kids and their families. Disney soon acquired us, and I then focused on new company-wide initiatives like Disney+ and DisneyID.

ThirdPrime Design
